Misys announces winners of its 2016 Global InFusion Partner Awards

London, 20 June 2016 – Misys, the leading financial software company, today announced the winners of its Misys 2016 Global InFusion Partner Awards. Nadeem Syed, CEO, and Brian Gibson, VP, Partners & Ecosystem, Misys, presented the awards during the Misys Global Partner Forum taking place in Prague today. The awards recognise the contribution that partners have made over the last 12 months in supporting customer success and driving innovation.

The Misys 2016 Global InFusion Partner Award categories and winners include:

- **Global Collaborator of the Year:** Awarded to [Deloitte](#) for excellent collaboration with Misys in the Financial Services market.
- **Key Partner Win of the Year:** Awarded to [Union Systems Limited \(USL\)](#) for securing the largest partner-led deal in Misys history. This complex win includes solutions from across the Misys FusionBanking, Misys FusionCapital and Misys FusionRisk product portfolio.
- **Cloud Partner of the Year:** Awarded to [Hewlett Packard Enterprise](#) for helping jointly develop and launch to market, a cloud-enabled capital markets transformation proposition. This provides market simplification from front to back, reducing the total cost of ownership for banks.
- **Banking Partner of the Year:** Awarded to [IBM](#) for their 20+ year relationship working with Misys across more than 500 clients in the banking sector.
- **Treasury and Capital Markets Collaborator of the Year:** Awarded to [Deloitte](#) for excellent collaboration with Misys in the TCM market globally.
- **Investment Management Partner of the Year:** Awarded to [Cronos](#) for successfully collaborating with Misys to deliver complex projects in the investment management sector across Europe.
- **Regional Partner of the Year:** Awarded to [Kmerit](#) for working closely with Misys in the rapidly growing market in China.

“Two years ago, Misys decided to make a significant investment in building a partner programme and we’re thrilled with the results being achieved,” said Brian Gibson, VP,
